XBD:
Please concentrate on
the beautiful music
in "little love"
vs. the station com-
mercial jingles.
Thank you,
Hazel B. Light

Dear D.P.,

I heard your financial report and
Wow! it ^{sure} sounds grim. I'm going to make
this small "out of schedule" donation which
will be a drop in the bucket, just a gesture.
Unless the Good Lord provides a sugar daddy
or some other life saving surprise, I'll say
it's been a great effort, a Noble cause. Thanks.
~ and thanks for the Doc Wms CD.

Hello Mr. K&RD

No! Don't look for a check I hate to K&RD about twice every 3 weeks when I drive up from Battleground on my way to Emancipate To visit my 91 year old mother.

You play some great music without the hype and ads of all the rest.

I'm 70 years old and I think your station is a little to heavy on the big band jazz stuff

I've never heard any Whyline Mac, The Skillet tickets, The Carter Family or Charlie Poole or Riley Packert

You got the idea
Old Time string bands
maybe some Cowboy Songs
by Glenn O'Brien or Mountain Sling

I have some western Swing case in attic, I think I even heard a Steam Train Hankow song once.

Maybe some window display like John Rince or Luis

De ment T (end)

A little more gospel wouldn't hurt either. (check upon you)

You do a little of that and I might send you a few bucks

This is just my 2 bits worth of opinion

Thank You

Dear Sir:

Seems I couldn't find any
good music on the radio until
I came across your station
several months ago, and now
listen many hours to your
wide variety of music.
I hope to hear more
Swedish music & Polka, Scandinavian
tunes, etc.

Thank you
I do hope to be able to
make more someday soon.

Greetings!

I look forward to Saturday and KBRD! Consistently GOOD music!
Got to thinking about 68 years ago today - Sunday noon dinner table and the radio was 'on' (in the kitchen) when the shocking news came! Dad had served in WWI - (and other relatives) and my brother and I joined the Navy as soon as we were old enough! (Just an idea of the kind of music we learned to appreciate.)

Now? Gosh, I feel sorry for 'Young Lovers'. Can you visualize a romantic proposal today? Does the man suddenly go into an 'afflictive' dance? Contortionistic? with a grimace on his face? Forcing words - rambling around some 'noise'? Oh, my! I'm glad I lived during the days of romance - enduring love songs. YOUR music is such a contrast to the 'noise' accepted today.

So? I send a check - just appreciation for MUSIC dotted with some perky - funny - songs!

Sorry I am limited in my income but just a 'little bit' might help?

THANK YOU for every Delightful Saturday you bring into my home.

Sincerely,

G. M. Morgan

Thanks so much for your services. I'm a devoted fan, and wish I could send more. I do what I can when I can.

I did belong to Public Television & Radio, but after you join you get duns so frequently, I decided to drop them.

This never happens with KBRD & I appreciate it.

Hang in there!

D.B. of Crew,

I

you have

KOKO bumper stickers available.

I'd be delighted to display one on my car. Hope the donations pick-up so the station can remain commercial free. I remain a very satisfied listener.

To Whomever; We accidently turned on your station this morning and was impressed.

And, we have a collection of records that are going to somewhere. Would you like to have first choice?

If so I will bring them down, you can choose and Goodwill the rest. They are a variety from early cowboy's like Tex Ritter, Gene Autry to Roy Acuff to classical Grand Canyon Suite to old Roy Rogers etc. About three large boxes, Cigarettes and Whusky and wild wild women, They'll drive you crazy, they'll drive you insane.

And many more like Al Jolson Tshtykowski Greig, etc.

Thank you for your
pleasant music. Hope you
can keep it going. Hope
