

Radio Station:

In my opinion your choice of music is too much centered on "honky tonk" and marching type music. If your choices were more related to Cole Porter, Dorthy Fields, Frank Loesser, Sarah Vaughan, Peggy Carmichael I would probably give a donation.

That marching music is so irritating especially in morning hours

DEAR KBRD,

HERE'S A DONATION. SORRY WE HAVEN'T KICKED IN
FOR A LITTLE WHILE. YOU DON'T NEED TO SEND
A RECEIPT IF IT'LL SAVE VALUABLE FUNDS.
WE LOVE THE CUTE BIRD WITH A BATON ON YOUR
RECEIPT. HAD YOU EVER THOUGHT OF SELLING
T SHIRTS, BUMPER STICKERS, COFFEE MUGS, ETC.
FEATURING YOUR CALL LETTERS AND THAT CUTE
BIRD. I BET YOU COULD RAISE SOME FUNDS
THAT WAY! WE LOVE YOUR STATION.

REGARDS,

JOHN & SUZANNE

P.S. Thanks for playing Woody Herman's
"Nightmare" twice one Saturday or
Sunday recently.

Hello, My "Doug's Choice for quality" has been working great.

Very nice having the song information right there with album picture. How do you do that?

I was wondering if you ever considered having some small window stickers made up.

They come now that stick on without glue. Like the oil changing places use to record when the next change is due.

You could send them out with the donation receipt or sell them for a couple bucks. Have people send a self address envelope to save 49¢ postage.

I would like to recommend a radio that really pulls in your signal. SONY ICF-38 \$20.00 at K-MART. Works better than my \$250.00 Sangean AT581B

Happy 20 years on The Air
Doug

Dear Station Mgr

I just got KBRD
on my little stereo
that a friend helped me
with. I need an outside
AM antenna.

Do you know any
body that can install that
won't be a lot of money. I'm
nearly 85 and I don't do
ladders anymore! Thanks
