Greetings KBRD's Board of Directors and Priceless Volunteers,

Thank you for continuing Skip's **wish** by playing this **fabulous music** on the air, and **especially** playing it on the internet (I stumbled on the station through the Tuneln website in June! Although, I listen on the kbrd.org website with the day song list open.)! I'm thinking of getting an internet radio, so I can listen to the station while using my "off-line" computer.

I'm an old fuddy-duddy at heart... My parents and I used to love listening to the **KIXI (Seattle) station...** Some time ago, the music ping-ponged among our favorites... Now, it's frequent tiresome commercials saying "How great their music is..." and playing over-engineered copycats. Or maybe it's the grief... The last couple of years have been harsh on my tender heart, in providing primary/hospice care for my elderly, extraordinary Folks... (sigh...)

Skip's music has been an enormous help in healing! I deeply appreciate the vibrant music you are keeping active! Occasionally, when I hear a song... I'm inspired to search the web in order to re-listen and/or find more musical connections. The amusements are endless... Skip's marvelous selections remind me of "Music with Madman Moskowitz" (KMPS Seattle) in the 80s (I recorded some of his old shows on cassettes... they're somewhere....)...., or Swing Years and Beyond (KUOW Seattle) on the air Saturday nights for decades 'til recently...

I LOVE Skip's music! I grin and snort at much of the silly, witty, and "wink-wink" lyrics. By design, I keep a toe tapping, and/or bop & sway to these very precious gifts! I sometimes imagine Bj dancing to the music... and that always tickles me!

**Big Thank You! BIG  and Best Wishes!**

BD:

I love the ancient Ernest Tubb songs.  
That's cutting away the extraneous and  
getting down to the nugget within: A  
singer and his guitar; OK, with a little  
help from Billy Byrd and -- is it Jerry Byrd?  
— but hey! I thought you once said  
you'd play a little more Doc Williams.  
Well, I don't get to hear you all day long.  
Keep up the good work. Roy

P.S. Was it Jimmy shoot before Billy Byrd?

When I was in W.I., I  
introduced your program to several  
people. They enjoyed it!

Thank you KBRD!

For so many  
hours of awesome  
and unique radio!

To the KBRD staff —

It's great to know  
I can always tune  
you in for the great  
old tunes that never  
stop. Thank you!

We love KBRD.

We listen almost  
everyday while  
working around home.

Thank You!

I listen to your station  
when I'm in the garden.  
Have I ever heard Nana  
Muscurgia (sr?) "DANNY BOY"

Also in my teens I heard a  
song about "SWEET HARMONY  
BROWN".

ON THE WESTERN STATION  
IN THE 50'S WAS A SONG  
WITH THE WORDS

"I (wa?) DON'T KNOW WHAT  
HER NAME WAS and we don't  
know where she went. All we  
know there was an Angel glow  
IN THE EYES of the strange little  
GIRL.

Thanks for the great music.

Dear Station Manager,

Thank you so much for supporting the programs of The Salvation Army by your PSAs of our fund raiser, the **Silver Tea**, hosted by the Women's Auxiliary held on May 13<sup>th</sup>.

Unfortunately, I must admit, I would not know if you did or did not do PSAs of this function as I tried to find and tune in to the various stations. I am having to assume your station does support the non-profits with either donations or PSAs. as I did not receive a negative response regarding your participation.

We had a very successful event with a full house of patrons. It was an afternoon of fun, enjoyed by all and, of course, the weather was great.

Our members had voted on using the moneys raised by purchasing: exterior vents, aluminum S.A. signage, new phone system and rug cleaning

as requested by Maj Bill Lum from his list of needs, plus, we will also be contributing to the Campership and the Student Shopping Spree in August.

I want to thank your establishment for helping to make this 50<sup>th</sup> Anniversary of the Silver Tea, our main fund raiser, a great, big success.

Sincerely

Hello, Enjoy listening  
to your station all the  
time. Too bad you  
don't have that animal  
adoption segment. I'm  
guessing it helped get  
a lot of animals homes.  
Maybe ask for a volunteer  
on your website.

All the best
